JustTextGiving
Text **LONG28 £10 to 70070**

Dear All.....just putting this out there.....excuse the directness **AND PLEASE DON'T FEEL TARGETED**..... Do feel free to delete or redirect. Thank you !

As we continue to explore opportunities for fundraising, we have come across the Vodafones TEXT GIVING initiative. It allows supporters to donate just by texting.

It is all very simple, donors just type in **LONG28** followed by the amount **they wish to give and then send it to 70070.**

You can help by circulating this news and by passing on our web information www.thebutterflygarden.org .

How quickly will we see a response ?

Will we have LONG 28? That is up to you.
